What is your computer password?
What is wrong with your computer?

If you have High Speed Internet, we can install software that will usually allow us to fix your PC without you bringing it in. Would you like us to install this software? ☐ YES ☐ NO

By signing this Repair Tag I am agreeing to pay Apollos Development's diagnostic fee of $25 for desktops and laptops if: a) the malfunction is due to hardware not under warranty, b) the malfunction is due to software or a virus (diagnostic routines cannot occur until viruses are removed); or c) no problem is found with the equipment whether it be under warranty or not. Apollos Development cannot be held responsible for data or information lost or damaged due to repairs or diagnostics.

Labor rate is $100/hour. Parts used will be charged in addition to labor. All sales are subject to 8.25% Sales Tax. Payment is due upon completion of repair. We accept Visa, MasterCard, Cash, and Checks.
